

AROGYA PRAGATI PLUS

- Arogya Pragati Plus is a top-up health insurance plan by The New India assurance company.
- This provides higher coverage at a lower premium.
- It activates once hospital expenses cross a selected threshold amount.
- Expenses up to the threshold can be paid through the base policy or by the insured.
- Your base policy pays first and once the threshold amount is crossed, the top-up policy covers the remaining expenses.
- Cashless treatment is available at network hospitals.
- Entry age is 18–65 years for proposer and 3 months onwards for dependents.
- In recent days the rising medical inflation makes additional health coverage, hence it is essential to take a **top up policy**

Choosing policy from M/s The New India Assurance is a beneficial one as,

- This is a government backed credibility
- Hospital network across our Nation is more
- Claim settlement is high

In fine, by selecting the policy (**Arogya Pragati Plus Top Up cover**) you will protect your savings during major medical emergencies.
