New India Yuva Bharat Health Policy

Health Protection Designed for Young Adults

The **New India Yuva Bharat Health Policy** is a health insurance plan designed especially for younger individuals, with an **entry age of 18 to 45 years**. It provides financial protection against eligible hospitalization expenses arising from illness or accidents.

The policy is available on an **Individual or Family Floater** basis, allowing eligible individuals to choose coverage according to their needs. It offers **Base, Gold and Platinum** plan options with different levels of benefits and coverage.

Key Highlights

- **Entry Age:** 18 to 45 years for adults
- **Coverage:** Individual or Family Floater
- **Plan Options:** Base, Gold & Platinum
- **Sum Insured:** ₹5 lakh onwards, with options up to ₹1 crore under applicable plans
- **Hospitalization Protection:** Coverage for eligible expenses arising from illness or accidents
- **Family Coverage:** Self, spouse and dependent children can be covered subject to policy terms

Why Consider Yuva Bharat Health Policy?

Starting health insurance at a younger age can help you prepare financially for unexpected medical expenses. The Yuva Bharat Health Policy offers young adults and families an opportunity to choose health coverage based on their protection requirements and budget.
